Coastal Cup Rules 4.d Player Permits

- i. Teams competing in the Coastal Cup may use players playing on a Coastal Cup Permit form, subject to rules following. PLEASE NOTE THESE RULES MAY DIFFER FROM ANY LEAGUE'S RULES.
- ii. A team may permit up to three BC Soccer registered players to bring their roster up to the number of players on the team's affiliation form for the current season, or up to a maximum of 16, whichever is lower. However, teams may not permit players to replace players under suspension.
- iii. The purpose of permits is only to allow teams to have enough players to compete in the Coastal Cup. Teams are not allowed to strengthen their roster by dropping players to pick up stronger ones. Any team attempting to release a player from their roster to make room for a permitted player will face disciplinary action.
- iv. Players may be permitted from teams playing at a lower calibre of play at the same or lower age, OR the same or lower calibre of play at a lower age level. For Coastal Cup permit purposes, the 'calibre of play' is based on the division a team was playing on December 1st. In number-based leagues, all 'Div. 1' divisions are considered one calibre, all 'Div. 2' is one calibre and all 'Div. 3' is one calibre, etc. Similarly in Gold/Silver/Bronze leagues, all Gold divisions are considered one calibre, all Silver divisions are one calibre and all Bronze are one calibre.
- v. Team may only permit players whose own team has already been eliminated from or did not qualify for Coastal Cup play.
- vi. Coastal A Cup teams may only permit players registered with other teams in their district.
- vii. Coastal B Cup teams may only permit players registered with other teams in their club. The only exception is if a club does not operate any other team in a lower calibre at the age/gender, the club, with district approval, can apply for permission from the Coastal Cup Committee for its B Cup team to be allowed to permit from teams of another club in its district.
- viii. Out of district players, suspended players and players registered to U12 or younger teams may not be permitted.
- ix. A permitted player's own team for clauses iv-vii shall be the team the player was registered with for the winter season.
- x. Permits are only valid if they have received district approval. Completed forms must be submitted to the Coastal Cup Coordinator no later than 48 hours prior to the start of the match.
- xi. ID cards must be provided for all players. Team officials are responsible for obtaining ID cards for all permitted players..
